Implementation, CERCLA Docket No. 10-2013-0032

Dear Mr. Leon:

The United States Environmental Protection Agency presents written demand to Earle M. The enclosed Memorandum details the violations and associated penalty. Payment of the stipulated penalty should be made in accordance with Paragraph 51 of the Settlement Agreement, and is due within 30 days of receipt of this written demand unless EMJ invokes dispute resolution in accordance with the Settlement Agreement.
